

Ogle County Fairbook Cover Design

This year we are asking for kids ages 5-18 to design a fairbook cover for the 2021 Ogle County Fairbook. The fairbook committee and fair board will choose one design for the 2021 Fairbook cover. The Ogle County Fair Association reserves the right to use the submissions for the fairbook, website, and/or facebook page. The requirements are:

1. Must fit onto a 7" x 9.5" space of a 8.5" x 11" piece of paper (we want to leave at least $\frac{3}{4}$ " margins on all sides).
2. Please use vertical orientation (tall).
3. May be black & white or color.
4. This can be created digitally or drawn by hand.
5. Must include the words "Ogle County Fair" and "2021" in the design.
6. The theme of the design is: In 2021 The County Fair Has Overcome.
7. Include your Name, Age, email, and if you are in a 4-H club, include the club name. These may me on the back, another piece of paper or included in the email (not the front of the design).
